Wrap Around Care.

This service began September 2005 due to the needs of parents whose current childcare facility did not transport children to Ysgol Bryn Hedydd and has been growing ever since. We have several children who attend the club for fun, to give parents a break and to help the children transition to a full school day.

We are a school based club and work very closely with Ysgol Bryn Hedydd, although we are not a teaching facility, we do

encourage learning through play by offering a wide range of activities and opportunities based on the Early Years Foundation Stage.

Cool Cats offers sessions around the school day and to fit to your needs. Children attending the wrap around service are more than welcome to attend for a full day session during the school holidays too.

We are limited to the amount of children attending to sixteen per session, this allows us to get to know the children better and develop relationships with them.

We supply mid-session snacks and drinks and a hot lunch is provided to the children at no extra cost. Children are more than welcome to bring a pack lunch from home if they desire.

The children have named storage boxes for their belongings at the club and it is useful for club to have a spare set of labelled clothes. We do not mind children bringing in comforters for the initial settling in period.

We do have quiet time but we do not encourage naps unless the child is unwell or extremely tired. We do have a quiet room to facilitate this.

We are registered to take children 3 years and older, therefore if you would like to phase your child in to the club, this is something that we are more than happy to facilitate.

We are very fortunate to operate as a “pay as you go” service and do not charge our parents retainers, this is beneficial to our wrap-around children as they are able to use the club as required. We also offer very competitive pricing.

At Cool Cats Club we do not charge if you are on holiday, off work or if you or your child is unwell. All we ask is that you cancel your session before 10am.

We are very flexible and willing to work around yours and your child’s needs.

As we have a limited number of places, if you are interested please contact us on; 01745 330079 / 07483139818.
