**Time Meeting ended: 3pm**

**AGENDA**

**School Council in general - class council meetings**

**Eco Council – what are they up to**

**AOB**

# MINUTES

## **School Council/ Class Council Meetings**

Mrs P-G said that the school council needs a big boost now January is here.

We all said that we would like regular class council meetings. A time table has been given to Mr Cannon and this will now be followed by all classes, making sure that meetings are held regularly.

We decided that all classes would be checked to make sure there was an area for school council ideas to be displayed. Molly, Jack, Max and Grace would arrange this.

## **Eco Council**

The Eco council are now having regular meetings with Mr Pickavance. So that we can all work together, Mrs PG suggested that we asked our class eco reps what they are up to and then each class council rep can feed back at our next meeting.

## **AOB**

Max asked what was happening with the KS2 playground. As we haven't yet raised enough funds to buy one the council thought they could ask Mr Cannon what fundraising days were planned and then maybe see if they could come up with their own idea. Max suggested bag packing.

Football on the playground was also an issue, and this needs to be discussed in the class council meetings.

We discussed creating a 'Cluster of School Councillors' to enable us to meet with other School councils in Rhyl to share our ideas. Mrs P-G is going to contact other schools in Rhyl to to arrange a meeting to discuss this further. She will report back at the next council meeting.

A date needs to be arranged to visit the Mayor. Mrs P-G will arrange this.

Class meetings will be held this week and next and all minutes will be brought to the next council meeting.

Meeting Ended 3pm
