

SCHOOL COUNCIL UPDATE

The Pupils' Voice

February 2011

This year we are more determined than ever to work on the issues we feel are important to us in school. For many years we have been hoping for a play area for both the infants and the juniors and, as you know there are plans to have both these play areas developed as soon as we can raise enough funds. We are all excited about this.

School Dinners

In January we held a whole school survey to find out what pupils enjoyed and didn't enjoy about not just the dinners, but the school hall and outside on the playground at lunchtime.

Once the survey was completed we held a meeting with Mr Cannon, Mrs P-G, Carol our school cook, the senior Mid Day Supervisors and Mrs Jones, who is head of school meals for Denbighshire. After a very successful meeting, many changes have occurred.

We now have weekly dinner menus in all the classrooms. The tables in the hall are set out in such a way that we are able to sit with our friends on most occasions. The juniors now have plates and bowls for their meals rather than the plastic flight trays, and we have new water jugs!

A big thank you to Carol and the Dinner Staff for their fantastic support on this matter.

School Uniform

We have always taken great pride in our uniform in Bryn Hedydd. We feel it sets a good example of the type of school we are. Unfortunately we feel that lately some pupils are not taking enough pride in their appearance. With this in mind we thought we would remind pupils of the uniform rules.

For the boys...

Smart hair
Black shoes—No trainers if possible
No jewellery, wrist bands etc

For the girls....

Hair should be neat and tidy.
Hair accessories should be discreet.
Socks or tights should be dark or white and not extremes of colour.
Sensible footwear, preferably black.
No jewellery at all—unless you have recently had your ears pierced.
No nail varnish... as Mr Cannon keeps reminding us, "School is not a fashion show", and the school council agrees!

Let's try to keep our high standards!

Please try to follow the rules.... we are a 'smart' school—let's keep it that way!

Next School Council Meeting - Thursday March 8th—2.30pm.
