

This term the School Council have held meetings to discuss School Dinners and our Fruit Tuck shop.

School Dinners

Whilst our school dinners are very popular, we are always trying to increase the number of pupils who have them on a regular basis. The School Council have been hard at work, listening to their class mates and coming up with new ideas to feed back to Carol McWilliams, our school cook.

One of the ideas the Council came up with was to have a weekly menu on display in every classroom, so the pupils can see what is on offer each day. This has already been put into action, and is working very well.

Fruit Tuck

We have found that our fruit is not selling at break time. The pupils felt that it was time for a change and have been looking at alternative tuck supplies! They have come up with some great suggestions. As a result, breakfast bars and various other healthy snacks are on sale on a daily basis for our junior pupils at a cost of between 20p and 40p per day.
